サブタイトル	Education Activities: Teaching Kindergarten and Elementary School																		
授業内容 ・ ねらい	<p>※ 2 時限連続の授業</p> <p>This class is for students interested in teaching children English or any language in the future. Students will plan lessons, create materials, and teach lessons to 4 and 5-year-olds at the kindergarten on the IC campus. Students will also teach one semester at Omika Elementary School. More information will be handed out during orientation before you select your Activities class. Please note the schedule below will be slightly different when students teach at the elementary school.</p>
