

12106 Audio Visual English II a、b、c、d、e、f		1年次～ 後期 1単位	
担当者	Michael Alfred Peterson	履修可能学科	E必
		関連資格	
サブタイトル	Listening practice and vocabulary booster		
授業内容 ・ ねらい	Audio Visual English II is a course that has been designed to improve listening skills and build vocabulary through a unique medium: American television. In this course, American television programs will be used to introduce new vocabulary words and phrases, which will be supplemented and supported by classroom exercises. Audio Visual English II gives students the opportunity to absorb practical, colloquial English in a way that is both educational and entertaining.
