		関連資格	
サブタイトル	Materials for Elementary EFL Instruction		
授業内容 ・ ねらい	<p>This class will focus on how to effectively create and use materials for English lessons aimed at Elementary School students. This class is highly recommended for students who are taking Education Activities, or for students who are interested in becoming an Elementary School teacher.</p> <p>In the first half of the course, we will be studying mostly theory. The second half of the course will be more practical, and students will have a chance to make materials, present them and discuss them as a class.</p>		
授業計画	<p>THEORETICAL CLASSES</p> <ol style="list-style-type: none"> 1. Orientation 2. Review of lesson planning 3. Review of teaching techniques 4. Why use materials? 5. Authentic materials/realia 6.
