Q.What surprised you when you came to Japan?

A.I thought it would be hot in May, but since it was the rainy season, it was cold and I only had summer clothes! I was also surprised at Japanese-style toilet. Also, the school rules were different. I didn't know that in Japanese high schools, students can't dye hair or drive. During my first year in this school, there was a student who dyed their hair. I told them that it looked nice. I got scolded! Even though I made a lot of mistakes, I came to love Japan and stay for almost 40 years.
