サブタイトル	English Skills for Active Communication		
授業内容 ・ ねらい	In this, the fourth semester of English Communication, students will continue language training for the purpose of authentic communication. We'll use English learned in the textbook to interact in class activities and conversations with other students and the teacher. Our teachers will push students to express their personal ideas and opinions to partners, small groups and the class. This class will meet 2 times each week.  This is a two-part course consisting of a 90 minute "interactive" session and a 90 minute "AV" session.		
授業計画	1-4: Relationships 5-8: Everyday dilemmas 9-12: Technology 13: Intensive conversation practice 14-15: Graded conversations  16-19: Social life 20-23: Impressions and feelings 24-27: Events in the news 28: Graded conversations 29-30: Written test
